Book Reviews by Kids, Tweens, & Teens

Palace of Mirrors by M.P. Haddix

Really good book about 13 girls who claim to be the real princess. But who is really the real princess? About struggle of living like a peasant trying to get into the palace. 5/5 stars

Alix

Harry Potter and the Deathly Hallows by JK Rowling

Five stars, recommend

Hannah

Diary of a Wimpy Kid Old School by Jeff Kinney

It was very good

Olivia

Bionicle Realm of Fear

Mata Nui rises again

5 stars

Xavier

Illuminae

by Amie Kaufman and Jay Kristoff

The book is set in the future, centered around two survivors fleeing an attack colony. The book was excellent. I loved the many different conflicts set throughout the book, and the characters were remarkably human.

Would definitely recommend 5/5 stars

Isaac

The Uglies Series by Scott Westerfeld

An electrifying series that brings real life into a dazzling fantasy. I couldn't put it down!

5 out of 5

Faith

Star Wars Jedi quest the school of Fear

It was an amazing book! 5 out of 5 stars
