Book Reviews by Sarah

Come Find Me by Megan Miranda

Come Find Me is a character-driven mystery with
supernatural themes and ever-burning questions.
Are we alone in the universe, or is something watching?

This novel centers on two teenagers, Kennedy and Nolan, brought
together by individual tragedies. These two teens embark on an
investigation into strange events surrounding those tragedies.

They discover along the way that perhaps
these occurrences may be their key to finding closure.

Upcoming Events in July!
