February Speaker Series

We had wonderful programs this year. We began by learning about teaching in Russia, then moved on to our town's history (lead by local historians and teachers); hiked up a mountain, then back to earth with a trip into the mind of a serial killer.

Thanks to all who helped make this year's Speaker Series a success.
Congratulations to speaker series basket winners!

The February Speaker Series has something for everyone and is free and open to the public.
Sponsored by the Friends of the McCord Library.
