McCord Memorial Library: Great Library Great Community Annual Appeal 2021-2022

Our library can be great because our community helps make us that way. In 2020 and 2021 McCord Memorial Library was forced to close for a number of months and some COVID changes still linger. McCord Memorial Library appreciates the support of the North East community, and we are asking for continued support during the 2021-2022 annual appeal.

Though the majority of our funding comes from tax dollars, we must also raise funds each year in order to continue serving the community as we do. Any contribution you make will help us assure the continued excellence of McCord Memorial Library in the future and is very much appreciated.

Thank you!

More information about our ongoing mission and McCord's many accomplishments are available online at www.mccordlibrary.org/about
