Reviews & Highlights

Iona Iverson's Rules for Commuting:

A Novel

Clare Pooley

A light, refreshing read to bring the reader into a pleasant mindset. Clare Pooley strings together an entire group of strangers, highlights their individual storylines, and then creates the most uplifting group of friends. All the characters stole a piece of my heart, but Iona is the star of the show. A reader will devour this novel over a weekend. Expect to laugh out loud, get a little sad, and even upset in some instances. Pooley has the ability you make you feel a broad range of emotions.
